The News.

A large and enthusiastic meeting was held at Market Hall, on Saturday evening, to listen to the able and eloquent German patriot, CARL SCHURZ, and Judge POTTER, the Republican candidate for Congress from this district. They were attentively listened to, and made telling speeches.

GOV. SEWARD delivered an able and eloquent discourse on the rise and progress of the Republican party, at Rome, N. Y., on Saturday.

Government has received official accounts of the two late battles with the Indians in Washington Territory. The Indians were soundly beaten and are suing for peace.

HORACE BELL, who was kidnapped at New Albany, Ind., by ruffians from Brandenburg, Ky., has been released on bail.

A number of interesting items will be found in our telegraph column.

The New York produce Market, on Saturday, was dull without any change in prices. Our own Market rule, and wheat declined 2 cents.

THE MAYOR AND COMPTROLLER.

We invite the attention of our readers of *all* parties to the communications, in this morning's paper, from Mayor PRENTISS and Comptroller HATHAWAY, in reply to the charges cooked up and published, for political effect, by JACKSON HADLEY, just on the eve of election. It strikes us that this demogogical trick, in view of all the *facts* in the case, ought to ensure the said JACKSON HADLEY a blistering rebuke from the People of the Fifth Senate District. Let TO-MORROW determine!

"Democracy" Wearing Two Faces.

TAX-PAYERS OF WISCONSIN! READ!!

The *News*, of Saturday, contains a communication signed "TRUTH," (there being not a word of "Truth" in it), which contains the following precious item:

The Shanghai legislature, bought up by the R. R. land grabbers for - - - 200,000 in railroad bonds.

The Legislature "bought up" was a Democratic Legislature, and of the eighty odd members who received R R. "bonds," THREE-FOURTHS were DEMOCRATS!

JACKSON HADLEY, the *News'* candidate for Senator, in the Fifth District, and at the time a Senator from this county, received $20,000 of these "bonds" for his services, and $200,000 *more* to use in "buying up" Congress, and the Minnesota Legislature—not one dollar of which he ever accounted *for*. And yet the *News*, which publishes the communication of "Truth," warning the People against "such corruption," supports JACKSON HADLEY!

It is significant of the double-faced character of Sham Democracy, that the Appleton *Crescent* of the *same date* to-wit: Saturday last, contains the identical article published in the *News*, but with an *additional* count that the *News* SUPPRESSED. Here it is:

> And how do you like the contemplated law advocated by Black Republican presses—the taxpayers to pay all the indebtedness of the counties, cities and villages, with Bonds of the State, for railroad speculators and monopolists?

Now, when it is considered that JACKSON HADLEY and *all the other Democratic candidates* for the Legislature, yet nominated in this city, are *committed* to this DEBT-ASSUMPTION scheme, this *Bill to give everything to everybody*, the reason for the *News'* SUPPRESSION is obvious enough. But what a palpable *cheat* the whole thing is. Can honest men sustain a party which resorts to such desperate devices?

Beriah Brown Claiming Votes on the Ground of Being a Spiritualist!

BERIAH BROWN, the Democratic nominee for Congress in this District, has been in town the past two or three days, begging for votes—*if not doing worse*. On Saturday, he approached a gentleman of considerable influence, amongst the members of his religious persuasion, and solicited his vote on the ground that he (BROWN) *was a spiritualist!* The reply which BERIAH received, was not by any means what he had looked for.

Something for "Mary Ann" to Do!

The editor of the *Le Roy Gazette* has a correct appreciation of "Woman's Rights." One view of their "Rights" is given in the subjoined paragraph. The suggestions it embodies are worthy of consideration elsewhere than in "Old Genesee:"

MARY ANN!—Rise early on Tuesday morning next, get breakfast at 5 o'clock, see that the chores are all done without delay, and start husband with the hired man, after a load of Anti-Lecompton, Anti-Buchanan, Anti-Black Democracy to go to 'Lection. Be sure and put up a lunch in a small basket, so that you will not be troubled with them again until they shall have done the best day's work in the whole season.—Instruct the driver not to pass a Republican voter, but to take them aboard and see that all

VOTE EARLY.
WORK FOR THE TICKET,

And keep at it until every Republican vote in the District is

SAFE IN THE BALLOT BOX.

Do this, and you will have earned yourself a new gown; and if your husband don't save enough in taxes the coming year to buy you one, you have only to report that fact to us, and we we will pay for the said frock.

POTTER'S PROWESS.—Besides stealing Barksdale's wig, (which honor, by the way, Washburn claims)—Potter once whipped an old man in East Troy, Walworth county, &c., &c.—*News of Saturday.*

Such is the style in which the *News* continues to assail Mr. POTTER. Of course, the public understand the reason for this vindictiveness.—Mr. POTTER was instrumental in procuring the *rejection* of Col. SHARPSTEIN, as Post Master for Milwaukee.

A Big Day's Work at a Saw Mill.

MR. EDITOR:—I have seen several statements of big day's works, at the different saw mills, this season. I will give you one that I think is hard to beat. On the 26th ult. there was sawed at the mills of H. LUDINGTON & Co., at Marinett, in eleven hours, the following amount of lumber:

By the gang saw, 40,026 feet; with the muly and siding mill, 20,000 feet, and 24,000 feet of lath. I say beat this, who can, and we will try again. H. L.

JAMES HARDMAN, Auditor.

To the People of Milwaukee.

I deem it hardly necessary for me to address you, in relation to the subject matter of this card, and only do so, at the request of many friends, for the purpose of putting you on your guard, in relation to certain insinuations that *something is wrong*, contained in the seven long preambles, accompanied with a single resolution, which were introduced into the Board of Councillors on Monday evening last, by JACKSON HADLEY, who is a Candidate for the State Senate, calling on me for a report, in relation to an issue of City bonds and a sum of money amounting to about *ten* thousand dollars, drawn from the Treasury by the City Comptroller. The whole object of the author and mover of the measure, is for political effect, intending, if possible, to gain votes, by alarming you into the belief that there is some danger of a default, on the part of myself or the City Comptroller.

The facts are, that the bonds were issued to me, under authority of law, and an ordinance of the City Council passed for the purpose of retiring some portion of the past due indebtedness of the city; and so far as they have been used, have been made applicable, *dollar for dollar*, for such indebtedness; and the balance will be used for *no other purpose, and in no other way*. I now hold evidences of nearly sixty thousand dollars of city indebtedness, which has been taken up, and when a negotiation, made some weeks since, is consummated, which it will probably take about thirty days to accomplish, a report will be made to the Common Council, that will show, that the city has suffered very little by the arrangement. The past due indebtedness of the city, to the present time, which had accrued on matured bonds, and the interest on others, all of which were issued previous to the sixth day of April last, together with the sum of one hundred and twenty thousand dollars borrowed of two of the city banks, during the summer of 1857, by the late Comptroller, exceeds two hundred thousand dollars. Much the larger part of the enormous debt under which we are now oppressed, has been contracted under the lead of the man who is now asking your votes to place him in the State Senate, and who is the instigator of the of the enquiry referred to.

He is also the same man who made oath before a Legislative Committee last winter, that he received two hundred thousand dollars of certain Rail Road Bonds, but could give no account of what he did with the proceeds. At the time of my accession to office, the Municipal debt, exclusive of bonds issued to Rail Road Companies was nearly *eight hundred thousand* dollars, and this is the legacy left to you by preceding administrations. I am anxious to have all my official acts scrutinized by honorable men, and while in office, I shall use my best exertions, for the interests of the *whole City*; but with this heavy burthen and an empty Treasury, I have been unable to accomplish but little to the present time. During the year ending 26th March last, as appears by the printed report of E. L. H. GARDNER, late City Comptroller, the discount made on Municipal City Bonds, sold by my predecessor, and others, exceeds the sum of one hundred and twenty-two thousand dollars.

We have made no sacrifice as yet, and do not intend that any loss of consequence shall be made, by any negotiations which we may enter into.

WM. A. PRENTISS,
Mayor of Milwaukee.

MILWAUKEE, Oct. 30th, 1858.

Minnesota Legislature.

The St. Anthony *News* of the 26th gives the complexion of the new Minnesota Legislature as follows:

	Senate.	House.	Total.
Democrats, . .	21	36	57
Republicans, . .	16	44	60
Republican majority on joint ballot,			3

The *News* adds: "It is with great confidence that we assure the Republicans of Minnesota and the States below, that these are the most unfavorable figures that can be made of the Republican majority in the next Legislature. Should we carry one whole ticket in Le Sueur and Blue Earth (as is quite probable,) our Majority on joint ballot will be increased to 5. *It cannot be less than three.*"

The pro-slavery organs in Minnesota are already congratulating themselves that *this* Legislature will never be called together.

CANDIDATES IN TOWN.—The rival Candidates in the First and Third Congressional Districts of this State, Messrs. POTTER and BILLINGHURST, Republicans, and Messrs. BROWN and LARRABEE, Democrats, were in our City on Saturday.

DREADFUL ACCIDENT ON THE BUFFALO AND NEW YORK CITY RAILROAD—FIVE PERSONS KILLED—MANY MORE DANGEROUSLY WOUNDED.—We regret to be obliged to announce another of those dreadful railroad casualties, by which several persons were killed outright, many more seriously injured, and a still greater number more or less disabled by contusions and cuts.

The night express train from New York, coming West, met with an accident this morning, about nine o'clock, about a mile east of Conesus, by which the engine, tender, baggage and two passenger cars were smashed up, involving a loss of five lives, besides inflicting dangerous and serious wounds upon others.

The train was running at the usual speed, the track being on an ordinary ditch embankment, a few feet above the level of the country. The passenger and baggage cars, it was found, were off the track, and before the speed of the engine could be checked, they were completely wrecked, the material composing them being scattered over considerable space. The engine remained upon the track, the spreading of which caused the dreadful calamity.

The accident was soon telegraphed east and west, and medical and other aid was promptly dispatched to the scene of the accident, it is hoped in time to be of avail to some of the injured persons.

THE KILLED.

The following five persons were instantly killed, some of them being dreadfully mutilated:

O. Hurd, a drover from New York city.
S. M. Reed, Greene, Chenango Co.
A woman and infant, who are unknown.

THE SERIOUSLY WOUNDED.

H. M. Valentine, New York city.
Elias Kuhun, do.
J. R. Paddock, Terre Haute, Ind.
David Treewellenger, Green Co., N. Y.
Mrs. David Treewellenger, do.
Mathias Fox, Avoca, N. Y.
W. Willis, St. Johnsville, N. Y.
Wm. McEwen, Ashtabula, O.

There are several others badly wounded, whose names we have not learned, and the number slightly hurt—that is, entailing nothing worse than temporary illness and inconvenience—we do not know, but it is probably considerable, though there were but two passenger cars in the train. None of the employees are mentioned among either the killed or injured. By to-morrow we shall probably have full particulars of this horrible affair—the first that ever occurred on this road.

Since the Buffalo, New York and Erie Road has been run, until this accident took place, no passenger was ever killed, an employee having lost his life by an accident which occurred some time since. Such a record is rare, and adds to the regret that this fatal casualty has occurred. Some time has elapsed since even a slight accident happened on this road, either on the Hornellsville or Corning track.—*Buffalo Com. Advertiser, Oct. 28.*

THEODORE PARKER.—The statement has been quite extensively circulated in the newspapers that Rev. Theodore Parker was dangerously ill, and that his disorder was of a consumptive nature. We understand that the illness of Mr. Parker is of a different character, and has assumed a favorable turn, so that he has been able, within a few days, to walk out. His friends are now encouraged to believe that he will soon be able, with restored health, to resume his public duties.—*Boston Traveller, 26th ult.*

STILL THEY COME.—The New York *Staats Zeitung*, the most able and influential German paper in America, which at first refused to support the Republican State Ticket, on account of the 12th resolution, has wheeled into the ranks and is doing active service for E. D. Morgan, our candidate for Governor.—*Buff. Express.*

To the Electors of Milwaukee County.

At a People's Convention held in the Court House, on the 26th inst., for the purpose of nominating County Officers, I was nominated on the second formal ballot for County Treasurer, by a decisive majority over all my competitors. Almost all the different Wards and Towns were represented by unbought delegates of various national ties.

Since then, some of the candidates there nominated, have, for reasons best known to themselves, declined to run. I am, however, still a candidate, notwithstanding, the industrious reports circulated to the contrary and the base, invidious and shameless attack from a certain quarter. If I am elected, fellow-citizens, I shall attend to the office myself, and discharge the duties faithfully, honestly, and, I trust, to the satisfaction of the citizens of this County.

As it seems to be the recommendable custom now, to come before the people in a manly, open and above board way, I may as well state here, that I have lived in this country since 1839, am a resident of this city for the last twelve years, during all which time I never asked for an office in the gift of the people. Most of the Electors in this City and County know me, and by their decision I shall cheerfully abide. J. WM. BIELFIELD.

Milwaukee, Oct. 30, '58. nov1h275d2t.

Independent Candidate for County Treasurer.

HAVING been requested by many citizens not approving of the nominations already made, to become a Candidate for **County Treasurer** at the approaching election, I hereby announce myself as a Candidate for said office, and respectfully request my fellow citizens, who have known me for the last 21 years, to cast their votes in my favor, if they deem me worthy of their support.

oct30h353d8t MATHIAS STIEN.

To the Electors of Milwaukee Co.

I HEREBY announce myself as an independent candidate for election to the office of County Treasurer, and if elected will perform the duties of the office to the best of my ability, and I herewith earnestly solicit your patronage. TIMOTHY CARNEY.

PEOPLE'S CONVENTION—NO MORE NOMINATIONS.—A meeting of the delegates of the late People's Convention was called at the Court House Saturday morning, for the purpose of making nominations to fill the vacancies caused by resignations on that ticket. As there were but a few of the delegates present, it was deemed expedient to adjourn without making any additional nominations. On the People's Ticket, therefore, there are no nominees for the offices of Clerk of Court, Clerk of Board of Supervisors, or Coroner. It will be optional with voters to fill these blanks with the names of candidates of their own choice.

ANOTHER CANDIDATE FOR COUNTY TREASURER.—Late on Saturday afternoon, it was announced that TIMOTHY CARNEY, and A. MCCORMICK, had withdrawn from the field, as Independent candidates for County Treasurer, in favor of GARRET M. FITZGERALD, the present popular incumbent of the office. This leaves the field to DOLAN, regular Democrat, BARRY, Independent, FITZGERALD, Independent, STEIN, Independent, and BIELFELD, People's. If any more candidates present themselves, before our next issue, we will endeavor to apprise our readers of the fact.

NEW TURKEY FIGS.—MR. EDWARD TRUSLOW of 119 East Water Street, has received a lot of very choice new Turkey Figs. He also keeps every variety of foreign and domestic fruits.

GRAND REPUBLICAN RALLY!

Carl Schurz and Judge Potter at Market Hall!

GREAT ENTHUSIASM amongst the GERMANS!

Beriah Brown refuses to meet Potter before a Milwaukee Audience!

The meeting on Saturday night at Market Hall, was one which will have a telling effect at the polls in this city to-morrow. It was announced that the eloquent CARL SCHURZ, and Judge POTTER, our Candidate for Congress, would speak, and before the speaking commenced the Hall, which is a good sized one, was filled to the brim. A large portion of the audience were Germans, who came to hear their talented countryman.

At half after 7 o'clock the meeting was organized by calling General PAINE to the chair, who appointed Dr. DOUSMAN and E. ENGLEMAN, Esq, Vice Presidents, and B. DOMSCHKE and J. R. BRIGHAM as Secretaries. Gen. PAINE, in an appropriate manner, introduced CARL SCHURZ to the audience. Mr. SCHURZ was received with hearty applause, and he then stated that he came here to address his countrymen, and that he would therefore speak in German first, and if desired he would close with a few remarks in English.

Mr. SCHURZ spoke for upwards of an hour in the language of the "Fatherland," during which time he was frequently interrupted by loud and hearty outbreaks of applause. We could understand the significance of his eloquence, though not his words. His speech was pronounced by those who understood it, as a masterly effort. Indeed, nothing else could be expected of CARL SCHURZ. He showed modern Democracy up in its true light, and we venture to say that he brought the blush of shame to the cheek of many a one of his countrymen for the support which they have lent to the infamous doctrines promulgated by that party.

Could the whole of our German population have heard CARL SCHURZ on Saturday night, the Democracy would have but few adherents among them. We could understand that BERIAH BROWN, the "fifty thousand dollar corruption bond Democratic Candidate" for Congress, and JACKSON HADLEY, the "twenty-five thousand dollar Democratic Candidate" for the Senate, met a share of Mr. SCHURZ's attention in the closing part of his speech, and they were handled without mercy.

The Democracy said, Mr. SCHURZ, reward the most notoriously corrupt men in their party by nominating them to fill the most responsible offices in the gift of the people, as illustrated in the attempted election of BARSTOW, after robbing the school fund and plundering the State Treasury, and the nominations of BERIAH BROWN and JACKSON HADLEY. There were corrupt men amongst the Republicans, he acknowledged, but when discovered they were thrown overboard, and the intelligence and honesty of the people was not insulted by asking them to vote for, and place in positions of important public trust men who had proved themselves unworthy, and dishonest. Mr. SCHURZ sat down amid loud and long continued applause.

At the conclusion of Mr. SCHURZ' speech, Gen. PAINE introduced Judge POTTER to the meeting who, said the General, "I am proud to say is a man who fears not to meet Democratic orators on the stump, or Democratic bullies on the boors of Congress." Judge POTTER said he was glad to know that a speech was not expected of him, and that he would confine himself to a few remarks. His position upon the leading political questions, he thought, were well known to the people of this Congressional District, but there were a few questions upon which he believed they had a right to know his position.

It was JUDGE POTTER's desire to have met his appointment in public discussion before the people of this city, and for that purpose, knowing that Mr. BROWN was in the city, he requested that gentleman to name some time upon which it would be agreeable for him to meet the speaker before the people. The only reply he could get from Mr. BROWN, however, was that he "was entirely in the hands of his friends, and could make no appointments." Mr. POTTER then went on and vindicated his action while in Congress in a manly and dignified speech, which was received by his listeners with the most emphatic marks of satisfaction.

Judge POTTER refuted the shallow charges made against him for not procuring harbor appropriations while in Congress, and showed that it was the Democratic majority, which prevented the appropriation of a single dollar for Northern harbor improvements, while hundreds of thousands of dollars were squandered upon public works and harbor and river improvements *at the South*, and this too at a time when the Democratic Party was pleading *poverty* of the Government as an excuse for the shameful neglect of our Western commerce.

The very late hour at which the meeting adjourned, precludes the possibility of our giving even a synopsis of the Judge's remarks on this point.

He concluded by a brief allusion to the memorable scene in the House of Representatives, in which he was one of the prominent actors, and the manner in which his auditors expressed their gratification at the rehearsal of the affair, clearly showed how heartily they approved of the course pursued by our Representative. Judge POTTER assured his hearers, before closing, that, if he should be re-elected to Congress, it would be, as it had been, his aim to treat fellow-members, whether from the North or the South, with that respect becoming a gentleman; but, said the Judge, "in return, I shall expect the same treatment, and if violence is used upon me in maintaining the rights of the people whom I represent, I shall exercise all the power God has given me to repel it."

Judge POTTER repeated the assurance that he would adhere firmly to the cause of freedom, and use his influence to prevent the extension of human slavery over the Territories of the United States. CARL SCHURZ followed Judge POTTER in a brief though eloquent speech, and the impression which he made can not but result favorably to the Republican cause. CARL SCHURZ stands second to no orator in the United States.

The meeting adjourned with three cheers given with a will, for Judge POTTER, and the same for CARL SCHURZ. On the whole, we have never attended a more orderly and effective political meeting.

MORE "INDEPENDENT" CANDIDATES.—In the Third Ward, Mr. J. R. TREAT announces himself as a Democratic Candidate against the "regular" nominee, DAN HAYNES. Mr. THOMAS H. EVISTON, who is an Independent Candidate for the same post, is by far the best man of the three and will, we hope, be elected. JOHN MITCHELL is an Independent Democratic Candidate for the Assembly, from the Fourth Ward, against JONATHAN TAYLOR (regular dem.) and JAMES A. SWAIN, Republican. Any more, gentlemen?

POLICE COURT SATURDAY.—Pierce Grace, a *graceless* young scamp, was brought up on the charge of disorderly conduct, but for want of prosecution was discharged.

John Morland, charged with disorderly conduct, was discharged for want of prosecution.

Michael Welsh, driving on side walk, fined $1.

William Elinger, disorderly, was fined $2.

Christian Kochs, disorderly, fined $10.

William Casey was convicted of an assault and battery upon the person of Edward Brennan, and fined $25 and costs.

A FOUNDLING.—On Friday evening, shortly after dark, a young man, while passing the hospital of the Sisters of Charity, heard the cry of an infant, near the door. Stepping into the yard he was not a little astonished at seeing a wee specimen of humanity lying in a little chip basket on the front steps. He took the child into the Hospital, but at the request of the Sisters took it to the jail, and not finding any one disposed to take charge of it there, he carried the little stranger in the basket to the Station house, and left it there. Not having any accommodations for so unexpected a visitor at the Station house, they were obliged to take it back to the hospital, where it was kept over night and thence sent to the Poor House.

The little foundling is said to be a bright looking, and very handsome child, and when found was dressed quite neatly. The parent who could forsake such a child and cast it out upon the bleak cold world, unprovided for, must possess a cold heart indeed.

YOUNG MEN'S CHRISTIAN ASSOCIATION.—The second regular monthly meeting of this Association will be held on Tuesday evening next, Nov. 2d, at 7½ o'clock, at their Rooms in Young's new Block, corner of Main and Wisconsin Sts. An essay by one of the members will be read, followed by a discussion. Proposals for membership will be received.

A Young Men's Union Prayer Meeting is held at the same place on Friday evening of each week, commencing at 6½ o'clock. All are invited to attend.

The Reading Room is now open daily, from 6 o'clock P. M. to 10 P. M. All are welcome.

CHANGE OF TIME.—The cars on the La Crosse road will hereafter leave the city at 7:20 A. M. and 2:15 P. M. Arrive at 10:45 A. M., and 4:20 P. M.

It will be seen by the advertisement in another column, that this winter, the great United States Mail from the East to St. Paul, will come *via* Milwaukee, and pass over the La Crosse road. This route is fast becoming the great acknowledged thoroughfare to the Northwest.

THE SPRING BREWERY.—We are indebted to Messrs. I. GIBSON & Co., successors to M. MIDDLEWOOD, who have entered into co-partnership in the Brewery business, (Mr. MIDDLEWOOD carrying on the Malting business) for a sample of the Ale, for which the "Spring Brewery" is famous. It is a superior article of Malt Liquor; and testifies to the skill of the new firm, who intend to keep up the reputation of the "Spring Brewery."

A LARGE DROVE OF CATTLE.—A very fine drove of cattle, six hundred head, arrived here from Missouri on Saturday. They were bought there by Mr. JOHN LAYTON for Messrs. LAYTON & PLANKINTON, who are now slaughtering them to pack for navy beef. They average 1,200 lbs. live weight each, and altogether are the first drove of cattle that have arrived here this season.

A BLOCK OF NEW STORES.—The cellars are now being dug for a block of new stores, on the corner of Wisconsin and Milwaukee streets, for Messrs. PERKINS & DANFORTH. There are to be four brick stores, and they are to be three or four stories high. They will be a vast improvement on that corner, and will not look bad, even beside the elegant Custom House below them.

LATEST NEWS!

BY MAGNETIC TELEGRAPH

Washington Matters.

WASHINGTON, Oct. 30.

The President has prepared and will issue a proclamation, in the usual form, for the prevention of the fillibustering expedition to Central America.

Mr. Butterfield arrived here to day, with a view to obtain protection to the California Overland Mail, which he says could be rendered at a comparatively small expense, and which would enable him to shorten the time of transit to 22 days.

Gen. Payez and suite dined with the President and members of the Cabinet to-day, at the residence of Gen. Cass, by invitation. Gen. Payez to-day delivered to the Secretary of State a letter from President Martinez, apologizing for the offensive allegations against the United States in the manifesto on the occasion of the contract formed with M. Belly.

Our government has no complaint to make with regard to France in connection with her movements in Central America.

A new contract has been entered into by Gen. Jerez and a Philadelphia Company, represented by J. C. Van Dike, for a Nicaragua Transit.—The administration know nothing officially of the transit.

A report that Geo. N. Sanders had gone to Kansas and likely to succeed to the Governorship has no truthful foundation.

The Attorney General has given an opinion in reference to the proper construction of the act of June last, which provides that the title to a land warrant, issued after the death of persons who have applied for it according to the prescribed form, shall rest in the widow, if there be one, and if there be no widow the heirs and legatees of the claimants, he draws the following conclusions: First, that a warrant issued after the death of the claimant, who has left a widow and children, is for the widow's benefit alone.—Secondly, if the deceased claimant leaves a widow and two sets of children, the warrant enures to the benefit of her heirs and legatee. And thirdly, the heirs are those who are so decreed by the law of claimant's domicil.

Gov. Seward's Speech at Rome, N. Y.

ROME, N. Y., Oct. 30.

Mr. Seward spoke to a very large audience this evening. He began with an allusion to the nomination of member of Congress in the Oneida district, and passed a high eulogium on Mr. Conkling, urging his election. Passing from this subject, he said the election was close at hand; there was no time for argument—"work!" should be the watch-word of Republicans.

He spoke of the stage at which the contest for Freedom in the United States had arrived; that stage was the effective organization of the Republican party, now complete throughout the Free States, and soon to be extended into the Slave States.

He showed how the party was organized in Maine, under the direction of Hamlin and Fessenden; in Massachusetts under the guidance of Wilson and Adams; in New York under the lead of Horace Greeley and Preston King; in Pennsylvania under the lead of Cameron and Campbell; in Ohio under the lead of Chase and Wade; in New Hampshire, under the conduct of Hale and Clarke, and in Vermont under the management of Foote and Collamer, but, he said, as yet, the Republicans labored under the disadvantage of having a portion equal to twenty of their members of Congress, balanced by the three fifths representation of the slaves in the slave States.

He then proceeded to speak secondly of the objects sought to be obtained. The admission of Kansas, the overthrow of the Dred Scott decision, and the restoration of freedom in the territories, were distinct and ultimate objects.—First of all, and paramount to all, was the attainment of fair play in the contest: and that fair play was all that remained for the administration—all the other interests of freedom had been delayed and surrendered before; but Mr. Buchanan had promised in his inaugural, fair play, and even this pledge had been broken.

Mr. Seward concluded his speech, which was about an hour in length, with the assurance that the election would result in the complete route of the Democratic retainers of slavery in the State of New York, and throughout the Free States.

Indian News From Washington Territory.

WASHINGTON, Oct. 30.

The War Department has received official accounts of two late battles with Indians in Washington Territory.

Gen. Clarke presumes that the success of the U. S. Troops is a surety of peace with the Indians encountered on the Spokan Plains. The red men were soundly beaten, and frightened into earnest overtures for peace.

The *Union* of this morning, speaking with authority, says the policy of the Administration is not to acquire Central America or any part of it, but to open the Isthmus routes, and have them free to all the world. Meanwhile it is but fair to claim that the covenants made with our people shall be enforced. Not only has Costa Rica made ample apology to our Government, but received Gen. Lamar with great cordiality. He will attend the convention of the Central American States about to be held, with a view to effect the confederation thereof.

New York Matters.

NEW YORK, Oct. 30.

The bark Parmelia Flood, from Green Bay, Wis., via Quebec, arrived at this port to-day.

The Point Comfort Hotel, at Coney Island, was carried away by the high tide of Monday evening. The inmates escaped, taking refuge on the neighboring hills.

The bath houses and sheds attached to the Ocean House, were also carried away.

The victims of the 30th street tragedy are all alive, and most of them likely to recover.

Release of Horace Bell.

NEW ALBANY, Ind., Oct. 29.

Horace Bell having been released on bail, has just arrived, and was received at the theatre with tremendous applause.

Fatal Accident.

ST. LOUIS, Oct. 30.

Yesterday afternoon the roof and upper walls of a house in course of erection on Washington Avenue fell, severely injuring five workmen, one of whom has since died.

BALLOTS.

The names of all candidates voted for must be on ONE TICKET.

The vote for, or against Amendments to the Banking Law, must be on a separate ticket.

TO-MORROW!

"The crowning fact the kingliest act, Of Freedom, is a Freeman's Vote."

REMEMBER, electors of Wisconsin, that, *to-morrow* you are called upon to exercise the highest privelege, and to discharge the most responsible duty which belongs to FREEMEN. *To-morrow*, the People sit in judgment upon their Rulers, and pass upon the accounts of their stewardship. *To-morrow*, the Administration of JAMES BUCHANAN is to be put upon its trial before the Grand Inquest of Wisconsin, and the voice of every Freeman should help to swell the verdict. Remember, then, to VOTE TO MORROW!

POTTER FOR REPRESENTATIVE!

Let every friend of FREEDOM, of NORTHERN RIGHTS and of WESTERN INTERESTS, cast his vote, *to morrow*, for JOHN F. POTTER, as our Representative in Congress. Such a vote is not only a tribute to faithful and fearless service, to manly bearing and devotion to principles, but it is a verdict against the Administration of JAMES BUCHANAN, the most extravagant, corrupt and false to Freedom, that the Republic has yet seen. There is no escape from the conclusion that every vote for BERIAH BROWN, CHARLES DUNN, or CHARLES H. LARRABEE, for Congress, is an *endorsement* of the "National Democratic" Party and Policy, whereof JAMES BUCHANAN is the recognized leader and exponent, and the Lecompton Swindle, the English fraud, and the Dred Scott abomination, are the legitimate off-spring. On the other hand, every vote for JOHN F. POTTER, C. C. WASHBURN, or CHARLES BILLINGHURST, is a Freeman's protest against the BUCHANAN Administration and all its sins of omission and of commission. ELECTORS OF WISCONSIN! bear this fact in mind *to morrow* and give your verdict accordingly!

COMSTOCK FOR SENATOR!

CICERO COMSTOCK, of the Sixth Ward, is recommended to the Electors of the Fifth Senate District (North half of Milwaukee County) as a suitable Candidate for Senator. Mr. COMSTOCK has lived too long in this City, and is to well and widely known throughout the County to need any extended eulogy at our hands. Every man concedes his eminent fitness and ability for the post of Senator. He would represent our City and County most worthily in the State Legislature. His opponent is JACKSON HADLEY, who, like Mr. COMSTOCK, is too well known to our citizens to require that we should draw his picture. The Democratic majority in the District is large, but victories have been won against greater odds by proper efforts. The nomination of Mr. COMSTOCK is one that ought to draw out every voter in the District, and which deserves to be supported by THE PEOPLE, irrespective of Party.—VOTE FOR CICERO COMSTOCK FOR SENATOR!

BUCHANAN ELECTIONEERING.—The Irish *News*, published in New York city, and edited by the well-known THOMAS FRANCIS MEAGHER, thus pointedly rebukes the BUCHANAN Democracy for the means employed by them to defeat those Representatives who opposed the Lecompton swindle in the last session of Congress:

> We are for Haskins and Clarke because they are on the right track, and by their constituents alone should be held to account for their actions; whereas the Federal office-holders and Administration influence have been persecuting and maligning them for months. They are men of education, intellect and honesty, and should be preferred to any political tricksters who may be thrust—according to the usages of the party—upon the electors.
>
> * * * * *
>
> We do not like to see the people driven or coaxed to the polls to-day and discarded to-morrow, or bribed with a week's work in the Navy Yard, or a petty situation in the purlieus of the Custom House. *Existing organizations have become so foul that they must be broken up like the charred remains of the Crystal Palace, and scattered to the four winds for purification. Let the People rule!* Let their voice be heard, not behind a screen, but ringing clear under the broad canopy and in the bright face of day!

What the *News* says about the "regular Democratic" organization in New York, will apply equally well to Milwaukee. Here too, we say, "*let the people vote*," and down with "political tricksters."

GET YOUR TICKETS READY.

Candidates and Committee-men should attend, *without fail*, to the business of getting a full supply of BALLOTS printed. Do not wait till the last moment, for then, in the hurry and confusion of numerous orders, you may meet with fatal delay. Get out the Tickets TO-DAY, and see that they are sent into all the towns in the County. HAVE YOUR TICKETS READY.

Waupun, Ripon and Berlin—Prospects in the Third District.

BERLIN, Green Lake Co., Oct. 23.

DEAR SENTINEL:—Autumn colors have faded away. Their richness and pleasing variety has settled into a dead rusty brown.

> "At every gust the dead leaves fall,
> And the days are dark and dreary."

Every day, since I left Milwaukee, has been more or less cold and stormy, so the roads are very bad. Notwithstanding this, the people have assembled at the appointed towns in great numbers, to hear our distinguished Senator to Congress, JAS. R. DOOLITTLE, who, with Mr. BILLINGHURST, has poured out his inspiring eloquence in the lofty Republican cause, to admiring thousands in this Congressional District.

The large and enthusiastic gathering at Horicon, to hear Judge DOOLITTLE, was particularly encouraging, it being LARRABEE's own town.

The Milwaukee and Horicon Railroad passes through the most extensive tract of really magnificent agricultural country I have ever seen, except on the east side of the Mississippi, above St. Anthony's Falls, and even that is hardly as rich as this, but vastly larger. From Horicon to Berlin, a distance of forty-two miles, and far beyond Berlin, it is a splendid unbroken prairie, gently rolling, with sufficient timber for fuel, and a fair allowance of water, though hardly enough for all purposes. Excellent water is obtained, however, by digging a moderate depth. Farmers who have moved up here from the richest prairies of Illinois, tell me that the land is superior in fertility to the general quality of the prairies in that part of the West. If ever I follow the plow again, let it be in this Horicon Railroad region.

Waupun and Ripon are the principal towns between Horicon and Berlin, on the Railroad.—The latter I had not time to stop at; the former is a very interesting place, remarkable for some natural peculiarities, and for being the location of the State's Prison. My observations in the prison and in Waupun generally, were too hurried to enable me to give a fair account of the town, so I will not attempt it till my next visit there, a few week hence. Judge DOOLITTLE addressed one of the largest audiences that ever congregated in Waupun, and was applauded often and earnestly. The Judge and your humble servant were entertained at the pleasant home of Dr. BUTTERFIELD, physician to the State's Prison.

Waupun is the seat of another institution of some consequence, viz: "EUKENS' strengthening plaster," which moderately purports to contain some particular healing virtue. Next after the State's Prison, the stranger may visit Dr. EUKENS' laboratory somewhat to his edification.—The "Democrats" in this Congressional District, discouraged and sick at heart from the terrible whipping their brothers are groaning under in Pennsylvania, Ohio, Indiana, Iowa and Minnesota, are still particularly fortunate in having Dr. EUKENS' manufactory right in their midst; for if they will apply his "strengthening plasters" to their broken backs,

> "It will keep what little life they have,
> Till the coming of the morn,"

when they will be crushed to death by the irresistible avalanche of the people's condemnation.

This very pleasant little city of Berlin looked so odd, and yet so inviting to me at first sight, that I have been walking its streets and ascertaining facts concerning it, all the time since.—It is very plain that it possesses commercial qualities and advantages, not surpassed by those of any other inland point in Wisconsin, nor indeed in the Northwest. The beautiful and highly fertile district that the Milwaukee & Horicon Rail Road passes over, is, they say, but the Southern part of the glorious country that extends to as great, or greater distance in every direction from Berlin, which city is the market and trading point for the whole region. More grain is sent to Milwaukee over the M. & H. R. R., in proportion to the extent of territory it traverses, than over any other Railroad in the State; and a very considerable portion of the grain grown in the same district is shipped from Berlin down the Fox River, for Buffalo. Good sized steamboats run up the Fox to Berlin, and smaller ones clear up to Portage. The population of Berlin is between four and five thousand.

There are no showy buildings here; they are nearly all small, well-built framed houses, which rather shows economy than thrift, with no abortive attempts to do great things. That it is in the right way to become one of the most wealthy and important of the interior business cities of the West, I can find "no loop nor hinge to hang a doubt on."

The traveling community will be interested to learn that the Topliff House, at Berlin, has been re-opened this week, under the management of its old proprietor, D. TOPLIFF, Esq. That gentleman's tastes and abilities as a landlord, have been so long and well known in Wisconsin, that I guess they'll stand without any elaboration to that effect, on my part. The house is conveniently and pleasantly located, on the highest land in the city, and is the No. 1 again.

BILLINGHURST and LARRABEE spoke here on Thursday, to a crowded house. LARRABEE made the smallest show of oratory and good sense that he has at any time in the campaign; but what could they expect of him in a city where for three years there have not been "Democrats" enough to get up a "chivaric," nor a half decent dog-fight? LARRABEE might as well "be a dog and bay at the moon," as try to tell the people of Berlin anything about politics. The man who goes to Congress from this district, represents the largest constituency in the nation, *three hundred thousand people!* Under the present apportionment they are entitled to *three* representatives instead of *one*. But as they can have but one until the next apportionment, they are determined to have a WHOLE ONE, which BILLINGHURST has shown himself to be.

This Green Lake county has lately been set off from Marquette. The county town is to be chosen at this election. As it will be a close vote, (between Berlin and Princeton) many illegal votes will doubtless be obtained, as is often the case when that question is submitted to the popular suffrage. The certainty that such votes will be sent by "Democrats" it is almost superfluous to mention, to show that in all probability LARRABEE will get a few hundred fraudulent votes in this county.

The confidence that too many Republicans have in their immense majority in this district, is more dangerous than the base tricks of their opponents. If every Republican who can walk, is as sure to be on hand election day as every "Democrat" is, and as watchful that every aged or infirm Republican is brought to the polls, as our opponents are of their disabled men, the defeat of CHAS. BILLINGHURST "stands not within the prospect of belief."

It was my intention to walk from here to Green Bay. But the weather is stormy, and the roads like white lead, with an insatiable appetite for boots and shoes. Moreover I make no pretension to being a pedestrian while on this journey, for politicians, just now, must go by steam.

ALPHA C.

FIRST AND SEVENTH WARDS.—EDWIN PALMER, the Republican nominee for Assemblyman in the First and Seventh Wards, is an old, well-known and respected citizen. He is a man of sound sense, business habits, and spotless character; and his influence in the Legislature would be felt. His opponents are F. SCHMELING, regular democrat, and ALANSON SWEET, independent. The united Republican vote of the District will elect Mr. PALMER.

AN EXCELLENT NOMINATION.—The Republicans in the South Assembly District of this county, (Lake, Oak Creek and Franklin,) have nominated NATHAN HOWES, Jr., as their candidate for the Legislature. Mr. HOWES is a man of character and capacity, who will faithfully attend to the interests of his constituents, and do credit to our County. A resolute effort will elect him.

A Letter from the Comptroller.

MR. EDITOR:—

The article appearing in the *Daily Wisconsin* of 28th inst., signed by "True Reform," although from its many mis-statements and false issues scarcely worth a reply, yet I will answer the same as briefly as possible.

And first as to the city printing: Shortly after coming into office, I advertised for proposals for the city printing; bids were received and opened, and that of the *Daily News* being in my opinion the lowest, a communication to that effect was made to the Council, recommending that the contract be awarded to that paper. There being after this some discussion as to the correctness of my decision in the matter, the bids were handed to the Council for their inspection and decision, and were by them referred to the Committee on Printing. This committee reported that they were unable to decide as to which was the lowest bids, and directed the Comptroller to advertize again for new bids. And here I would say that the bids of the German papers, being too high, were all rejected by me, and so reported to the Council. Agreeably to instructions, proposals were invited a second time; bids received, opened and at once submitted to the Council for their inspection and decision. And there the matter rests; the committee to whom they were referred, not having reported upon them. Under the amendments, the amount of printing for the city was increased nearly or quite three fold, and the amount already done embraces nearly everything that will be required for the current year, as there will be but very few improvements recommended after the 1st proximo. Thus much for the city printing.

As to salaries of city officers: The salary of the Comptroller this year is fixed at $1,500; last year it was $4,000. The salary of City Clerk this year is $1,500; last year it was $4,000; and and the clerk hire for the Comptroller's office is not yet fixed, but will in no event exceed $2,000.

"True Reform" says that the expenses of our city for the present fiscal year will far exceed those of any former administration. The amount which the city can raise by tax for general city and ward purposes for any one year, is limited to $120,000, as will be seen by Sec. 35 of amendments to the city charter. The amount of treasury warrants already issued is less than $40,000, and this inclusive of quite an amount issued for debts contracted previous to 6th April, 1858, and the contracts entered into for improvements chargeable to the wards will not cost the city an amount exceeding $40,000; and allowing say $20,000 for contingent expenses of the several wards, gives $100,000 for total expenses of the city for the current year, exclusive of amount to be raised for interest and sinking fund. Can "True Reform" show that the general city and ward expenses have been less than this for the past three years? If he can, let us have the figures. The Comptroller has reported to the Common Council the state of affairs as far as was necessary, as "True Reform" might have seen had he taken the trouble to inform himself.

"True Reform" further says, that, "had the Council acted *honestly*, honorably and fairly, and paid the bonds due July 1st, our bonds would now sell at par." Perhaps if True Reform had been the financial officer of the city, he could have raised the means to pay off the bonds, principal and interest, due at that time; the payment of our city taxes for 1857 having been extended by the Legislature, to June 1st, 1858, and an amount not exceeding five-eighths having been collected on same, and a large portion of this in city orders, and there being no money in the Treasury, except what was paid in on account of taxes, I would like to know how the City could meet its indebtedness punctually.

The Mayor and myself did endeavor to raise money in New York, to meet its indebtedness, but the different Rail Road Co's defaulting on payment of interest on city bonds, issued to them, the corruption of the Legislature in the La Crosse Land Grant matter, and the Stay Mortgage law, passed at its last session, commented upon at length by the New York Press, at the very time when they were trying to redeem the city credit, was sufficient to render fruitless all their efforts in that behalf.

The Mayor and myself are however, still endeavoring to perfect an arrangement by which, if successful, the past due bonds, principal and interest, issued for municipal purposes, will be paid, and the credit of the city restored.

I *have* taken the sum of ten thousand dollars from the City Treasury, and the same has been faithfully applied to its legitimate purpose, to wit: towards the payment of the principal and interest above mentioned, the insinuations of "True Reform," to the contrary notwithstanding, and it is to be regretted that the Treasurer cannot furnish the further sum of fifty-two thousand dollars, to be applied for the same purpose, the total of these two sums being about the amount of past due bonds and coupons (issued for municipal purposes,) exclusive of the $25,000 bonds drawn for, and due thereby, from the sinking funds.

"True Reform" says, the Treasurer has laid himself liable for the money paid to the Comptroller, &c.

By Sec. 35 of the amendments of the City Charter, the Mayor, Treasurer and Comptroller, are made commissioners of the sinking fund, and have authority to purchase from time to time, the outstanding funded debt of the City, and under this they are now acting.

This answers fully, I think, the article of "True Reform."

Regretting that I have encroached so much upon your columns,

I am, Sir, very respectfuly your ob't. sev't.
JOHN L. HATHAWAY.

The Late Convention—Our Irish Fellow-Citizens.

MR. EDITOR:—I deem it incumbent on me as a delegate from a Ward which is Democratic in principle, and composed principally of our Irish fellow-citizens, to enter my protest against the one-sided and seemingly prejudiced action of the so-called People's Convention, which assembled on Wednesday at the Court House.—When the Republicans, composing that body, had adjourned their regularly called Convention until Wednesday, for the purpose of inviting Democrats dissatisfied with a portion of the Democratic nominees to unite with them, it was the expectation and the hope of a great portion of our fellow-citizens, of all political persuasions, that political and national prejudices would be ignored, and a ticket selected which would meet with the cordial and united support of men of all climes, creeds and persuasions, and it was with this belief that I consented to take a seat in that Convention.

Our Irish fellow-citizens have rights, numerically speaking, which no Convention, having the welfare and success of their ticket at heart, could trample under foot with impunity, and I am glad to see that they insist upon those rights. While they cherish and revere the great fundamental truths of Democracy, I believe they are ever ready and willing to meet their fellow citizens and extend to them their unbiassed and unprejudiced support upon all questions affecting the public good, and in return expect and should receive a reciprocation of like favors at their hands. They have been strong in the belief that outside of the Democratic party they have no acknowledged rights, and the action of the late Convention, helps, in a great measure, to strengthen that belief. If we wish to do away with party usages in our municipal affairs, and adopt the principle of *honesty* and *capability* in the selection of our officers, it is not by exercising proscription or intolerance that we are to bring about this much desired result, but by extending the right hand of fellowship, not because it is necessary, but *right*, so to do. It is to be hoped, for the principle about to be established, that such another Convention will never again assemble in this county, but that the people, irrespective of party, will judiciously select a ticket, which will meet with the cordial support of all.

EDWARD KEOGH.

Milwaukee, Oct. 30.

A DESPERATE DUEL.—The following extract from a private letter, written by one of the soldiers in the army at Utah, gives the particulars of one of the most desperate duels on record.—The tragedy occurred in Cedar Valley, during the first week in September. The writer says:

> The parties to this sanguinary affair were two gamblers from St. Louis, named Rucker and Peel. What gave rise to the difficulty was, that in the course of a game for $1,000, Rucker played a secret card, and was detected by Peel. Hard words passed between them, when Peel said that there was but one way to settle the matter—they must fight. They adjourned outside the store, and taking their stations about ten yards apart, drew their revolvers and fired. Both fell at the first shot—Rucker shot in the breast, and Peel in the shoulder. One of Peel's fingers was taken off by the shot. The second shot took effect in both. Rucker then raised up on his knee and fired twice, both balls hitting Peel.—The latter, bleeding from six wounds, struggled up from the ground, and resting his revolver on his arm, and taking deliberate aim, shot Rucker to the heart.

Special Correspondence of the N. Y. Tribune.

From Washington.

WASHINGTON, Tuesday, Oct. 26, 1858.

The President and Cabinet say emphatically that whatever course particular Northern Democrats may pursue concerning the English bill, they intend to stand by the provision excluding Kansas until she have a population of ninety-three thousand, ascertained by the census, and will insist upon that condition as a party test.—This declaration will be substantially affirmed in the Message.

More heads of Douglas postmasters have fallen, but the Post-Office Department declines to give their names.

The appointment to the vacant Fourth Auditorship was designed recently, but is now suspended, with others, till the meeting of Congress.

Senator Slidell has been called suddenly to Louisiana by Senator Benjamin and his friends, to stop a revolt in the Democratic ranks, which threatens the overthrow of their dynasty, and is in open rebellion against the Administration.

The lobby forces are collecting already, and a combination is forming between several so-called New York Republicans and Democrats here, to engineer a passenger railroad through Pennsylvania avenue, which is regarded as one of the biggest jobs yet contrived by speculators.

The increase of the Paraguay force shows that the expectations of the Administration have suddenly changed. It is now believed that if Lopez decides on resistance, it will be necessary to send a large military force, under experienced generals, for land operations. It now appears that the height of the fortifications to be first assailed is such that ship-guns cannot be effectively elevated.

☞ A WONDERFUL REMEDY.—Mr. B. D. Woods, late Justice of the Peace, East Birmingham, Pa., says:

"I have been afflicted with a disease of the stomach, palpitation of the heart and nervous headache, for nearly fifteen years, and have spent some hundreds of dollars in order to effect a cure, but to no purpose. After having used three bottles of your Holland Bitters, I feel myself entirely restored. I can eat and sleep well, and attend to my business with pleasure, and would therefore recommend it to those who are similarly afflicted."

STICK TOGETHER!

When midst the wreck of fire and smoke,
When cannons rend the skies asunder,
And fierce dragoons with quickening stroke
Upon the reeling regiment thunder.
The ranks close up to sharp command,
Till helmet's feather touches feather;
Compact the furious shock they stand,
And conquer! for they stick together!

When now 'mid clouds of woe and want,
Our comrades' wails rise fast and faster,
And charging madly on our front
Come the black legions of disaster.
Shall we present a wavering band
And fly like leaves before wild weather!
No! side by side and hand in hand,
We'll stand our ground and stick together!

God gave us hands—one left, one right;
The first to help our elves, the other
To stretch abroad in kindly might
And help along our faithful brother.
Then if you see a brother fall
And bow his head before the weather,
If you be not a dastard all,
You'll help him up and stick together.

MADNESS OF THE KING OF PRUSSIA.—The Berlin correspondent of the New York Tribune, in describing the insanity of the King of Prussia, which, as is usual in cases arising from softening of the brain, is intermittent, states that the Queen, anxious to conceal his true condition from the people, has been in the habit of availing herself of his lucid intervals to bring him before the public. This, as will be seen, has not always turned out very happily:

"In the presence of the Queen of Portugal, who celebrated her nuptials at Berlin, per procuram, the King was to have publicly assisted at the church ceremonies. Everything was ready, and ministers, aides-de-camp, courtiers, foreign ambassadors, and the bride herself, were waiting for him, when all at once, despite the desperate efforts of the Queen, he was overtaken by the hallucination of believing himself the bridegroom. Some queer remarks he dropped as to his singular destiny in being married again during the lifetime of his first spouse, and as to the impropriety of his (the bridegroom's) appearance in a military uniform, left his exhibitors no chance but to countermand the spectacle which had been announced.

The boldness of the Queen's operations may be inferred from the following incident: There exists still an old custom at Potsdam, according to which the fishermen once in the year pay the King an old feudal tribute of fish. On that occasion, the Queen to prove to the men of the people the falsehood of the rumors then circulating as to the state of the royal mind, dared to invite the foremost of these men to a fish dinner, to be presided over by the King himself. In fact the dinner went off pretty well, the King muttering some words learned by rote, smiling, and, on the whole, behaving properly. The Queen, anxious lest the scene so well got up, should be spoiled, hastened to give the guests the signal of departure, when all at once the King rose, and in a thundering voice demanded to be put in the frying pan. The Arabian tale of the man converted into a fish became reality with him.

DISGRACEFUL SCENE IN A PITTSBURGH COURT. The Pittsburgh *Journal* relates the following as having occurred in that city:

The District Court of Pittsburgh, on Thursday was engaged in a trial of a cause wherein John S. Hall was plaintiff, and J. C Bidwell defendant. Judge Shaler was counsel for plaintiff, and in the course of his address to the jury, he referred to the defendant in terms not complimentary to that individual's honesty. He classed the defendant as a scoundrel and defrauder, and remarked that his very appearance indicated him as such, and used much more language of similar purport. When Judge Shaler had concluded his address to the jury, Mr. Bidwell walked up to him and remarked to this effect: "Judge, I don't know but my countenance indicates as much of an honest man as yours does." Thereupon Judge Shaler spit in Mr. Bidwell's face, when the latter raised an umbrella which he had in his hand, and struck the Judge across the countenance with it, causing a discoloration of the eye. Robert Woods, Esq., ran to the assistance of Judge Shaler, but some members of the bar intercepted him. Mr. J. S. Hall, the plaintiff in the case, on seeing his counsel struck, also went to his assistance, and dealt Mr. Bidwell a blow. The parties were finally brought to a sense of their misconduct and placed in the custody of the Sheriff. The fighting lawyers were severally fined $100, $75 and $50.

R. R. R.

THE IMPORTANCE OF REGULARITY.—It is highly important that mankind should observe strict regularity in all the affairs of life. Regularity induces health—Irregularity produces disease. Most people are particular about eating at regular hours—retiring to rest at regular hours—rising at a regular time—and we should be equally as particular about discharging, from the bowels, the fecal and acrimonious humors of the body at a regular hour—to empty the bowels of their contents at a regular time. If mankind would observe this great and important duty, and prepare their bowels to more regularity, they would avoid much sickness. Radway's Regulators induce Regularity. They regulate every organ to regular action. The Liver, Pancreas, Kidneys, Heart, Skin, Bowels, and all other organs, will, after the action of Radway's Regulators, move with all the regularity of clock work. Persons troubled with Costiveness, Indigestion, Dyspepsia, &c., will find, that, by taking one of Radway's Regulators every night, on going to bed, they will have a pleasant discharge of the bowels in the morning at a regular period of time. One Regulator will regulate—three will purge.

R. R. R. is sold by C. HARRINGTON, BOSWORTH & SON, L. F. LAKE, and J. H. TESCH, Milwaukee, and by Druggists everywhere. oc176d2w2w

TO THE PUBLIC.

In answer to the numerous letters addressed to me on the subject of the Mustang Liniment, I would say that I have had no connection with that article for several years. It was invented by me, and while put up under my control and supervision, was universally accepted by the public, as the best liniment in the world. In 1854 I sold out my interest in it to other parties, and since that time it has passed through the hands of several persons, most of whom have been so unscrupulous as to manufacture it of inferior and cheaper articles, and thus to entirely destroy its value as a medical remedy, trusting for success in selling to its former highly established reputation. Its present proprietors have gone so far as to substitute other articles in its composition for those in the original prescription, so that the Mustang Liniment now vended possesses no one of the distinguishing characteristics of the genuine article, as it was originally invented and manufactured by me. These parties, to enable themselves with more facility to foist their worthless and injurious article on the public, use *my name* as its founder, calling it "Bragg's" Mustang Liniment, and cautioning the public to beware of any other Bragg's Liniment as an imposition. This is done with a view of exciting a prejudice against "BRAGG'S ARCTIC LINIMENT," an article more recently invented by me, and possessing all the virtues of the original Mustang, with some improvements—the result of experience and later discoveries—and manufactured by Bragg & Burrowes, which firm is composed of my son, Oliver T. Bragg, and Michael Burrowes. This article is superior in many respects to the Mustang, when it was put up pure and in good faith, and is immeasurably superior to the article now vended as the Mustang Liniment. It is also the only liniment manufactured to which my name is appended by my authority or consent. In conclusion I cannot hold myself responsible for any of the evil results of using the Mustang Liniment now vended, and especially after this public disclaimer of any connection with its proprietorship or preparation.

Respectfully, A. M. BRAGG, M. D.

GRAIN CLEANER & SEPARATOR
HORTON'S PATENT
G. B. BINGHAM & BRO.,
Sole Manufacturers in Wisconsin.

THIS MACHINE is of recent invention, and surpasses all others in use for its perfections as a thorough Separator and Scourer. It has given entire satisfaction in New York, Pennsylvania and other States where it has been introduced, and we are confident it is better adapted to the cleaning of Western grain than any other ever introduced into this State. It is fire proof, not liable to get out of repair, requires but little power to run it, and the scouring cylinder so constructed as to render it unnecessary to be renewed for years. We respectfully invite all Western Millers to give us a call, and examine our machine, at the Bay State Foundry, Fiorida st., Milwaukee, Wis. feb10f976dly

VICTORIOUS OVER PAIN.
BRAGG'S ARCTIC LINIMENT.

Agony or ease!—Sickness or health!—Life or death! These are the questions involved in the adoption or rejection of this specific by the martyrs to external diseases and injuries. Having received the indorsement of the distinguished savan, the late Dr. KANE, and its efficacy tested during two awful Winters in the regions of eternal ice, it is now coming into general use in every section of the civilized globe, and its marvelous cures are everywhere exciting astonishment.

THE AFFLICTED REJOICE.

HUNDREDS and THOUSANDS have tested its virtues, and are rejoicing in freedom from long lingering PAIN and DISEASE, which other remedies had failed to cure. Have you the BRONCHITIS, NEURALGIA, RHEUMATISM, SCROFULA, EARACHE or TOOTH-ACHE—Are you afflicted with OLD SORES—Suffering from BRUISES, SPRAINS, CORNS, SORE EYES, PILES?

THE ARCTIC LINIMENT will afford you instant relief. Everybody is liable to

BURNS AND SCALDS.

For these dreadful accidents the ARCTIC LINIMENT should be kept on hand, for it affords sure and immediate relief, often saving from death. Every steamboat and railroad train should keep it. Who that has heard the shrieks of anguish uttered by the scalded and maimed victims of explosions and collisions, does not feel that some means of relieving their torture should always be accessible? Such does exist in this balmy pain controlling agent. It is

THE MOTHERS' COMPANION.

It cures CAKES IN THE BREAST, SORE NIPPLES, SORE LIPS, PIMPLES, &c. Ladies who prize a pure skin, void of pimples, blotches, scurf and all discolorations and excrescences, should attack these trespassers on beauty's domain as soon as they appear with the ARCTIC LINIMENT. It is excellent for the Hair, giving it a healthy glossy appearance. It is

GOOD FOR MAN AND BEAST.

It is a sovereign remedy for the various diseases with which horses are afflicted, curing the most alarming cases of BRUISES, SPRAINS, STRING-HALT, WOUNDS, SCRATCHES, SWEENY, SPAVIN, RING-BONE, BIG-HEAD, POLL-EVIL, &c. No farmer, livery stable keeper, or any person owning valuable HORSES, should be without this valuable remedy.

For sale by all respectable Druggists and Dealers.

Prices of the Liniment, 25 cents, 50 cents and $1 a bottle. A one-dollar bottle contains as much Liniment as eight twenty-five-cent bottles

EXTRAORDINARY ANNOUNCEMENT.

Every purchaser of a dollar bottle of the ARCTIC LINIMENT receives, at Dr. Bragg's expense, the UNITED STATES JOURNAL, of New York, for one year. The Journal is a large illustrated paper—each number containing sixteen pages, beautifully printed on clear white paper, and filled with original matter from the most brilliant writers of the country. Certificate of subscription and full particulars of the novel and philanthropic enterprise, of which this offer forms a part, will accompany each bottle.

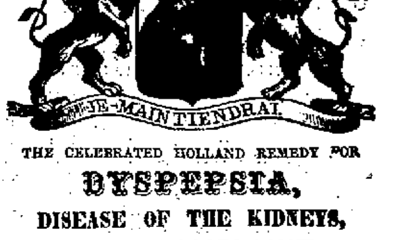
BOERHAVE'S
HOLLAND BITTERS.



THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND,
FEVER AND AGUE,
And the various affections consequent upon a disordered
STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. *It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.*

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and infusing new health and vigor in the system.

READ CAREFULLY! The Genuine highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only, and retailed at ONE DOLLAR per bottle. The great demand for this truly wonderful Medicine has induced many imitations, which the public should guard against purchasing.

☞ Beware of Imposition! See that our name is on the label of every bottle before you buy.

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD,
COMPOUNDED ENTIRELY FROM GUMS,

IS one of the best purgative and Liver medicines now before the public, that acts as a *Cathartic*, easier, milder and more effectual than any other medicine known. It is not only a *Cathartic*, but a *Liver* remedy acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The LIVER is one of the principal regulators of the human body; and when it performs its functions well the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the *Liver* for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the LIVER—having ceased to do its duty. For the diseases of that organ one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with LIVER COMPLAINT, in any of its forms, has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, PURIFYING THE BLOOD, giving tone and health to the whole machinery, removing the cause of the disease, effecting a radical cure.

BILIOUS ATTACKS are cured, AND WHAT IS BETTER, PREVENTED, by the occasional use of the LIVER INVIGORATOR.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring, prevents NIGHTMARE.

Only one dose taken at night, loosens the bowels gently, and cures COSTIVENESS.

One dose taken after each meal will cure DYSPEPSIA.

☞ One dose of two teaspoonfuls will always relieve SICK HEADACHE.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves CHOLIC, while

One dose often repeated is a sure cure for CHOLERA MORBUS, and a preventive of CHOLERA.

☞ Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

☞ One bottle taken for JAUNDICE removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures CHRONIC DIARRHOEA in its worst forms, while SUMMER and BOWEL complaints yield almost to the first dose.

One or two doses cures attacks caused by WORMS in Children; there is no surer, safer, or speedier remedy in the world, as it *never fails*.

☞ A few bottles cures DROPSY, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for FEVER AND AGUE, CHILL FEVER, and all FEVERS of a BILIOUS TYPE. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

ALL WHO USE IT ARE GIVING THEIR UNANIMOUS TESTIMONY IN ITS FAVOR.

☞ MIX WATER IN THE MOUTH WITH THE INVIGORATOR, AND SWALLOW BOTH TOGETHER.

THE LIVER INVIGORATOR

IS A SCIENTIFIC MEDICAL DISCOVERY, and is daily working cures almost too great to believe. It cures as if by magic, *even the first dose giving benefit*, and seldom more than one bottle is required to cure any kind of LIVER Complaint, from the worst *Jaundice* or *Dyspepsia* to a common *Headache*, all of which are the result of a DISEASED LIVER.

PRICE ONE DOLLAR PER BOTTLE.

A Card from Dr. James M. Jarrett,

OF THE NEW YORK LUNG INFIRMARY.—My connection for the past eight years with the above Institution, as Chief Physician, and a twelve years' course of steady devotion to the cure of Pulmonary Consumption and its kindred diseases, together with my unrivalled opportunities and advantage of pathological research—aided not a little by a perfect system of *Medical Inhalation*—has enabled me to arrive at a decisive, direct, and successful course of treatment for the positive cure of all diseases of the *Throat, Lungs, and Air-Passages.* By Inhalation, the vapor and curative properties of medicines are directly addressed to the diseased organs and the integument. I do not advise the use of Medical Inhalation of any kind, to the exclusion of *general treatment;* and although I consider it a useful adjuvant in the proper management of those fearful and often fatal diseases, yet I deem it very necessary that each patient should have the benefit of both *general* and local treatment. The success of my treatment in the above diseases, and the high character of the Institution over which I have so long had the honor to preside, are too well known to need any eulogy or comment from me. At the solicitation of many private and professional friends, through whose philanthropic aid the above charity has been long and liberally supported, after due consideration, I have concluded to make such arrangements as will bring benefits of my experience and treatment within reach of all, and not to confine myself, as heretofore, to those only who entered the Infirmary, or who were able to visit me at my office. Hoping therefore that the arrangement will give entire satisfaction, both to my professional brethren and the public, I would respectfully announce in conclusion, that *I can now be consulted personally or by letter*, on all diseases as above, and that the medicines, the same as used in the Institution, prepared to suit each individual case. *Inhaling Vapors, Medical Inhalers, &c., &c.,* will be forwarded to any part of the United States or the Canadas. TERMS—My terms for treatment by letter are as follows, viz: $12 per month for each patient, which will include medicine sufficient for one month's use; also, Inhaling Vapor, and an Inhaling Apparatus. Payment as follows: $6 to be paid to Express Agent on receipt of the box of Medicine, and the balance $6 at the expiration of the month, if the patient be cured or is entirely satisfied with the treatment. Patients, by giving a full history of their case, and their symptoms in full, can be treated as well by letter as by personal examination. Patients availing themselves of Dr. Jarrett's treatment may rely upon immediate and permanent relief, as he seldom has to treat a case over thirty days. Letters for advice promptly answered. For further particulars address JAMES M. JARRETT, M. D.,
No. 320 Broadway, cor. Twelfth st., N. Y.

P. S.—Physicians and others visiting the city are respectfully invited to call at the Infirmary, where many interesting cases can be witnessed, and where our *improved apparatus* for the inhalation of medicated vapor can be seen and inspected. sep3h146d6mo

Private and Confidential Medical Advice,

AT the MILWAUKEE VENEREAL HOSPITAL, established for the cure of Syphilis, Seminal Weakness, and the infirmities of youth and maturity, by Dr BARNES.

Dr. BARNES takes pleasure in announcing to the citizens of Milwaukee and other places, that his office is at No. 12 Wisconsin street.

READ AND REFLECT.—The afflicted would do well to reflect before trusting their health, happiness and in many cases, their lives, in the hands of physicians ignorant of this class of maladies. It is certainly impossible for one man to understand all the ills the human family are subject to.

YEARS OF PRACTICE, exclusively devoted to the treatment and study of Syphilis, Gonorrhoea, Gleet Strictures, effect of solitary habits, ulcers upon the body, throat, nose or legs, pain the head or bones, and all Mercurial Affections, and all impurities of the Blood whereby the constitution has become enfeebled, enables the Doctor to offer relief to all who may place themselves under his care.

Dr. B. makes no charges for short consultations.—Those requiring much advice should enclose a small fee sufficient to compensate for the time required to write the answer.

WEEKLY REVIEW OF MILWAUKEE MARKETS.

OFFICE OF THE DAILY SENTINEL,
Saturday Evening, Oct. 30, 1858.

We have to note a very perceptible improvement in the wheat market since last week, though a slight re-action took place yesterday, in consequence of a depression in the New York market, which was followed in this market by a decline of 1a3c on nearly all grades. In the early part of the week the market showed signs of improvement, and continued tolerably active until to day, at an advance of 3a5c over last week's quotations. The demand was about equal to the supply, and a lively competition for milling wheat, in some instances, ran it up 2a 3c above the market. The ruling price during the week, for extra spring wheat, has been 80a85c, and for No. 1 do 70a75c, but our report for to-day shows a decline of about 2c, the market being rather inactive.

In flour we have no important change to note. It has exhibited more firmness, in consequence of the improved state of the wheat market, and we note a few sales of nice country brands at an advance of 15a25c on last week's ruling figures, the range being $4a$4,25 for spring extras. The market, however, closed heavy, holders somewhat anxious to realize.

Oats continue firm at last week's prices, with a good export and home demand. Good samples of new oats find ready sale at 38a40c. Very little old oats can be found. They would sell at 43a45c.

Barley is very dull and still declining. The very best samples will not bring outside of 60c.

Corn and rye continue dull and unchanged.

Potatoes are more plenty and rather lower, and the supply of butter has increased, and prices also slightly declined. There is no change to speak of in other articles.

The receipts of grain are somewhat larger than last week, but still light, the amount of wheat received by railroad being but little over 79,000 bushels.

Our advices from abroad during the week, show no improvement in the foreign breadstuffs market.

General business begins to fall off as the season advances, and there is, therefore, less demand for money, and hence the Banks are pretty well supplied with Currency, while the supply of Exchange is fully equal to the demand, and rates remain nominal.

MONEY MARKET.

BANKING AND EXCHANGE OFFICE OF BRIDGE BROTHERS,
No. 165 EAST WATER ST., MIL., Oct. 30, '58.

The market has shown an unusual dullness for a few days. The unpleasantness of the weather has contributed to depress feelings in financial as well as general business circles. Capitalists do not seem to be eager to invest, while, on the other hand, the best class of borrowers are slow to come forward. At the same time there is no difficulty in negotiating really good names when offered, at fair rates, either through banks or brokers.

At the East we note a greater activity, but without any diminution of consequence in accumulated amounts. The stock market cannot absorb the idle surplus, and we are in full confidence that increasing sums will continue to come westward in search of satisfactory investment.

AYER'S CATHARTIC PILLS.

THE following remedies are offered to the public as the best, most perfect, which medical science can afford. AYER'S CATHARTIC PILLS have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known. Other preparations do more or less good; but this cures such dangerous complaints, so quick and so surely, as to prove an efficacy and power to uproot disease beyond anything which men have known before. By removing the obstructions of the internal organs and stimulating them into a healthy action, they renovate the fountains of life and vigor—health courses anew through the body, and the sick man is well again. They are adapted to disease, and disease only, for when taken by one in health they produce little effect. This is the perfection of medicine. It is antagonistic to disease, and no more. Tender children may take them with impunity. If they are sick they will cure them, if they are well they will do them no harm.

Give them to some patient who has been prostrated with bilious complaint; see his bent-up, tottering form straighten with strength again; see his long-lost appetite return; see his clammy features blossom into health. Give them to some sufferer whose foul blood has burst out in scrofula till his skin is covered with sores; who stands, or sits, or lies in anguish. He has been drenched inside and out with every potion which ingenuity could suggest. Give him these PILLS and mark the effect; see the scabs fall from his body; see the new, fair skin that has grown under them; see the late leper that is clean. Give them to him whose angry humors have planted rheumatism in his joints and bones; move him, and he screeches with pain; he too has been soaked through every muscle of his body with liniments and salves; give him these PILLS to purify his blood; they may not cure him, for, alas! there are cases which no mortal power can reach; but mark, he walks with crutches now, and now he walks alone; they have cured him. Give them to the lean, sour, haggard dyspeptic, whose gnawing stomach has long ago eaten every smile from his face and every muscle from his body. See his appetite return, and with it his health; see the new man. See her that was radiant with health and loveliness blasted and too early withering away; want of exercise, or mental anguish, or some lurking disease has deranged the internal organs of digestion, assimilation, or secretion, till they do their office ill. Her blood is vitiated, her health is gone. Give her these PILLS to stimulate the vital principle into renewed vigor, to cast out the obstructions, and infuse a new vitality into the blood.—Now look again—the roses blossom on her cheek, and where lately sorrow sat joy bursts forth from every feature. See the sweet infant wasted with worms. Its wan, sickly features tell you without disguise, and painfully distinct, that they are eating its life away. Its pinched up nose and ears, and restless sleepings, tell the dreadful truth in language which every mother knows. Give it the PILLS in large doses to sweep these vile parasites from the body. Now turn again and see the ruddy bloom of childhood. Is it nothing to do these things? Nay, are they not the marvel of this age? And yet they are done around you every day.

MORE TO BE ADMIRED THAN THE

RICHEST DIADEM

EVER

Worn by Kings or Emperors.

WHAT? WHY A BEAUTIFUL HEAD OF HAIR.

Because it is the ornament *God Himself* provided for all our race. Reader, although the rose may bloom ever so brightly on the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shriveled, *harsh* and *dry*, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated Pianist, Thalberg:

DR. WOOD:— NEW YORK, April 19th, 1858.

Dear Sir: Permit me to express to you the obligation I am under for the entire restoration of my hair to its original color. About the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative, it soon recovered its former hue. I consider your Hair Restorative as a very wonderful invention—quite efficacious as well as agreeable.

I am, dear sir, yours truly,
S. THALBERG.

"Drych a'r Gwyliedydd."
WELSH NEWSPAPER OFFICE,
113 Nassau st., April 12, 1858.

PROF. O. J. WOOD—*Dear Sir:* Some month or six weeks ago I received a bottle of your Hair Restorative and gave it to my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color; but to her, as well as my surprise, after a few weeks' trial it has performed that wonderful effect by turning all the gray hair back to brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change in their hair.

CHARLES CARDEW.

NEW YORK, July 25, 1857.

PROF. O. J. WOOD: With confidence do I recommend your Hair Restorative, as being a most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It has also relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely.

J. G. KILBY.

PROF. WOOD—About two years ago my hair commenced falling off and turning gray; I was fast becoming bald, and had tried many Remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grew out, and turned back to its former color, black. At this time it is fully restored to its original color, health and appearance, and I cheerfully recommend its use to all.

J. D. HOES.

Chicago, Ill., May 1, 1857.

The Restorative is put up in bottles of 3 sizes, viz: large, medium and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for $3.

This caution is rendered essentially necessary, as large quantities of inferior and defective Linens are prepared, season after season, and sealed with the name of RICHARDSON, by Irish Houses, who, regardless of the injury thus inflicted alike on the American consumer and the manufacturers of the genuine Goods, will not readily abandon a business so profitable, while purchasers can be imposed upon with Goods of a worthless character.

MEDICAL.

R. R. R.

"*Magna est Veritas et prevalebit.*"

THE *wonderful discoveries brought to light by the celebrated Dr. Radway & Co., the eminent Chemists of New York within the past quarter of a century, have contributed more to the ease, comfort, safety, health and longevity of the human race than all other medicinal agents in use.*

RADWAY'S READY RELIEF,

The first of these important and valuable discoveries startled the world with wonder and surprise at its rapid efficacy in curing the sick and stopping the most excruciating pains.

The next discovery was the RENOVATING RESOLVENT; *the only remedy in use that possesses the remarkable properties of eradicating from the system all constitutional maladies inherited by sickly children of diseased parents. These discoveries however, are but* LESSER LIGHTS *to the* GREAT GRAND DISCOVERY *recently made, and which is calculated to revolutionize the present practice of medicine and treatment of disease. The result of this great discovery is given to the world in the form of* PILLS *elegantly coated with Gum so as not to offend the most delicate stomachs. They neither sicken nor gripe. Every dose that is taken imparts renewed strength and vigor to the sick and enfeebled body. They are called*

RADWAY'S REGULATING PILLS.

R. R. R.

RADWAY'S READY RELIEF.

1. One of the most remarkable properties which this all-powerful remedy possesses, is that of ELECTRICITY. It truly electrifies the whole human system with its healthful influence. Its action upon the poisonous causes of malaria, whether it be the infecting effluvia of Yellow, Typhus, *Swamp*, Measles, Scarlet, or other Malignant Fevers, or *Fever Ague*, Bilious Fever, Cholera, Diarrhœa, Dysentery, Flux; or whether the stomach becomes inflamed and irritated from the poisonous extracts of acid plants, tainted meats, unripe fruit or green vegetables, a dose of Radway's Ready Relief will instantly neutralize the poisonous elements that may be in the stomach, allay the most violent inflammation and fortify the whole system against sickness or painful difficulties.

In all cases, therefore, of Cholera, Cholera Morbus, Flux, Fevers, &c., there is no remedy so safe and certain to take as Radway's Ready Relief. Its electrical powers will, the instant it is taken, *charge the system with health and vigor.*

2. AS A COUNTER-IRRITANT, withdrawing the congested blood, which, in cases of Rheumatism, Lumbago, Gout, Neuralgia, Sciatica, inflicts so much pain upon the patients—it acts with the rapidity of lightning the instant the Relief is rubbed on the parts of the body where there is pain—it re-establishes an equalization of the circulation of the blood—congestion being withdrawn, inflammation is removed, and pain ceases.

3. AS A DIFFUSIVE STIMULANT.—In cases of Weakness, Languor, Dullness, Depression of Spirits, Restlessness, Melancholy, Tremblings, Hysterics, &c., it diffuses its healthful tonic properties throughout the whole system. It revives and reinvigorates the aged, crippled, infirm, and nervous. It imparts new life and strength. Weak and feeble females, who, from continued suffering with *weakening discharges*, are wasting away, Radway's Ready Relief will restore to a sound and healthy condition.

4. ITS CLEANSING AND HEALING PROPERTIES are quickly proved in cases of *wounds*, gun shots or stings, bites of dogs, snakes, insects, &c. The moment Radway's Ready Relief is applied to the pained parts, it neutralizes the poison, arrests the spread of the infection, allays inflammation, and prevents mortification.

5. AS A BODY GUARD TO PREVENT the system against sudden attacks of sickness, especially when epidemics prevail, or in cases of sudden Cramps in the stomach or bowels, Bilious Cholic, Fevers of all kinds, a dose of Radway's Ready Relief will check the progress of the disease and prevent serious difficulties.

6. EXPOSURE TO HEAT—CEREBRAL DIFFICULTIES.—Persons who are obliged to be exposed to the hot rays of the sun, should, when they feel Sun-sickness, Headache, etc., take a dose of the Relief, also bathe the head with some water—this will settle and strengthen the stomach and withdraw the heated blood from the head—and equalize its circulation through the system.

7.—Every family should provide themselves with Radway's Ready Relief. If accidents occur, either from Falls, Burns, Scalds, Bruises, Wounds, etc., one application of the Ready Relief will immediately stop the pain, prevent inflammation or mortification.

RADWAY'S REGULATING PILLS,

[From the N. Y. Medical Journal.]

THE GREAT GRAND DISCOVERY.

A SINGULAR POWER RECENTLY DISCOVERED AND COMBINED WITH RADWAY'S REGULATING PILLS.—The celebrated Dr. Radway has recently succeeded in obtaining a nutritious extract, so concentrated, that a dose of six pills will furnish the same amount of nutriment, the blood as is given to the blood by an ounce of ordinary bread. This nutritious extract he has succeeded in combining with Radway's Regulating Pills, so that while the system is undergoing a thorough physicing, cleansing, purifying and regulating process, the weak, enfeebled, debilitated and worn out organs receive a healthful nourishment.—This great discovery is invaluable. Heretofore, under the influence of the most innocent and best purgatives, Pills, etc., the patient grew weak and debilitated. In cases of Yellow Fever, Typhus Fever, Scarlet Fever and other malignant fevers, Small Pox, Erysipelas, etc., the patient is unable to partake of sufficient nourishment to keep alive.

RADWAY'S REGULATING PILLS will entirely revolutionize the treatment of the sick afflicted with these maladies; for one or two of Radway's Regulating Pills will give to the wasting body sufficient nourishment as well as exterminate every particle of disease from the system. Another great power which these Pills possess is that of regulating the organs of the system in performing their duties. The Stomach, Kidneys, Liver, Skin, Bladder, Heart and Bowels, are each of them regular and exact in the performance of their several functions; so that those who take these Pills, however Costive they may be, will enjoy the *luxury* of a healthful discharge from their bowels every day, at a regular and exact hour.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR,

FROM

THE WORST SCROFULA DOWN TO A COMMON PIMPLE.

He has tried it in over eleven hundred cases, and never failed except in two cases, both thunder humor. He has now in his possession over one hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst canker in the stomach.

Three or five bottles are warranted to cure the worst kind of Erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst kind of ringworm.

Two or three bottles are warranted to cure the most desperate case of rheumatism.

Three or four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

ROXBURY, Mass.

DEAR MADAM:—The reputation of the Medical Discovery, in curing all kinds of humors, is so well established, by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful Druggists in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative powers, in relieving all, and curing most of the diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother,

NURSING SORE MOUTH,

is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of blessings to your husband and household.

In the more advanced stages of

CANKER

it extends to the stomach, causing

DYSPEPSIA

which is nothing but canker on the stomach; then to the intestines and

KIDNEYS

creating a sinking, gone feeling, and an indifference even to the cares of your family.

Your stomach is

RAW AND INFLAMED,

your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best day is gone. For want of nourishment your system becomes loose and flabby, and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to

CURE;

Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip-joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases the

PILES.

How many thousands of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause. I wish to impress on your mind that good old proverb, "an ounce of prevention is better than a pound of cure." In the

MEDICAL DISCOVERY

you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you an injury. Yours truly,

DONALD KENNEDY.
